

MEET THE BUYER 2017

STOCKPORT

TRAFFORD

ROCHDALE

Supplier Information Pack

20th June 2017

SUPPLIER INFORMATION PACK

To ensure both you and the buying teams get the most out of Meet the Buyer, it is strongly recommended that you familiarise yourself with information about the event and the organisations that will be participating in Meet the Buyer on 20th June 2017. This Pack provides details on the companies participating and the goods and services they are interested in purchasing.

If you believe your company is able to provide the goods/services the buyers are looking for, please submit the booking form by **5pm on the 15th May 2017**. All completed forms should be emailed to info@meetthebuyer.org.uk

Please be selective when selecting the buying teams you are requesting to meet and focus your application on those that have requested the goods/services you provide. You can choose up to 4 companies but we may need to further limit appointments if demand is high.

We will endeavour to arrange appointments with the buying teams you request and match with, and will send an email confirming the details of your appointment(s) by Wednesday 7th June.

Please note that no appointments will be made between companies and buying teams where there is no match in goods/services and buying requirements. In addition, whilst we will endeavour to match as many companies as possible with appointments, high demand means that appointments cannot be guaranteed

If you have any queries regarding the Supplier Information Pack or booking arrangements for Meet the Buyer 2017 please contact the relevant Local Authority in which your business is based:
